Hermes Poll Dorset Stud would like to advise that we are continuing to monitor and be guided by the NSW Public Health Orders for Covid 19. Measures are being put in place to ensure the safety of all attendees of our Annual Sale. We are only too happy to provide pre-sale inspections for interested parties and, if required, special arrangements may be made with the agents to participate in the sale from a remote location. Rams will be penned by 11 am on sale day.
